Orland Election

Extra!

A Correction

Thru a printer's error in this week's issue of The News Bulletin the names of the candidates of the Republican Party of the village of Orland were omitted from an announcement that was printed in connection with the coming village election in Orland next Tuesday, April 21, 1925 and as the editor is always ready to correct his mistakes we take this means of issuing an "ELECTION EXTRA" in justice to the Republican candidates to correct this error and herewith reprint the announcement signed with the names of the Republican candidates as it should have appeared in this week's regular edition of the News-Bulletin. The announcement together with the candidates names:

Next Tuesday there will be a hot time in Orland when the annual village election takes place. There are practically four factions in the field which assures plenty of rivalry for the offices to be filled.

All sides are asking the voters for their support, so it will be a case of the best man winning.

The candidates of the Republican party have issued the following announcement to the voters of the village:

TO THE VOTERS OF ORLAND PARK

Village Election will be held on Tuesday April 21st, 1925. The Polling Place (Village Hall) opens at 7 A. M. and closes at 5 P. M.

The following Candidates as their names appear on the Republican ticket of the Ballot, respectfully solicit your loyal support and the Co-operation of ALL who believe in an honest, Economical and Mutual Administration of the Affairs of the Village.

If elected, they will faithfully serve the Public to the best of their ability. Your Interests will be their first Consideration. Assuring a Square Deal for all honorable Motives."

Yours truly,

Henry Waje, Candidate for village president.
Geo. M. Steinhagen,
William Jacobson,
Robert Hughes,
Candidates for village trustees.

Holstein Saloon

At Orland Raided

Last Friday afternoon about 5 o'clock deputies from the Cook County Sheriff's office raided the saloon of Chas. P. Hollstein. It is said moonshine was found. Mr. Hollstein was asked to appear in court in Chicago, but it is said that the case will most likely be dropped.

Orland Faces Big

Real Estate Boom

Orland is facing the biggest growth of its history. With all the new sub-divisions opening up and the building activities that are going on, this town will soon put itself on the map.

The Nichol Realty Co., of Chicago which recently purchased the Sedgwick property adjoining the Orland school is making preparations to lay out the land in streets and lots. Permission was asked of the village board at their meeting Monday night to do blasting on this property as a lot of tree stumps will have to be blown out to make way for streets and building sites. Quite a number of new families

Civic Improvement To Be Big Issue In Worth Election

With a president, a treasurer and 3 trustees to be elected and three parties in the field, the election next Tuesday, April 21st promises a contest that will rival the fiercest of national presidential elections ever fought, but we may view our own little affair from our own doorstep; the issue rests entirely with our little old judgment.

Frank Rolfe will run independently against Harry P. Woods, Citizens candidate and present president.

Beyond vague impressions gathered here and there the policies of either is not very well known. However, it is thought the old "Strict Economy" plank will be used by our present officers, same having been so effective in previous contests.

The Independent candidate for president also clings to this idea, but believes that economy measures should not interfere with common sense expenditures for actions that further progress of the community and make it something beside a railroad tank town.

Both Mr. Woods and Mr. Rolfe are popular and well liked and the outcome of the election is hard to predict.

Turning to the trustees we have Lewis MacCauly, E. A. Preller and Chas. Pribe of the Independent-Citizens party against Louis Daniel L. Schipper and H. S. Ferrin of the Citizens party.

Of the Independent-Citizens party we may point with pride to the records hung up within the past year such as the prompt and decisive passage of the sidewalk ordinance, the addition of a highway police much needed for protection and is also an aid to village funds; the purchase of a modern fire fighting apparatus which was very sorely needed and now also removes that unwholesome dread of fire that hangs over communities unprotected and lastly forcing the cemetery to put in the drainage which they did not see fit to do until taken to law about it. Having proved that progress in deeds and words is their motto, we believe these men will be open to suggestions and improvements that boost our stock in the market of better communities.

Every property owner in Worth is interested in seeing our village become something beside a surveyors stake even if we go in debt temporarily in order to pass measures that guarantee growth of our town both in size and property values.

In order to insure growth and property values we must exclude undesirable enterprises such as cemeteries and for that reason be sure where your candidate stands on this question as it is of vital importance to every property owner in the village.

In Frankfort Fight

The village election at Frankfort next Tuesday is going to be the hottest contest Frankfort has had in this line for years. The big fight centers on the office of mayor.

The opposing candidates are the present mayor, Max F. Haass and George D. Letts. The wet and dry question is the main issue, the followers of Letts standing for the enforcement of the 18th amendment as regards local saloons.

R. J. HENSEL NEW DIRECTOR

Richard Hensel, Mokena druggist was elected a member of the Mokena school board last Saturday defeating Aug. Hentsch by over 30 votes.

have moved to Orland from Chicago lately and indications are that Orland will be the coming suburb. Concrete roads and good train service are the big factors in the upbuilding of the community.

Hundreds Attend Last Rites For Mrs. Albert Cappel

"Wait on God and trust him thru all thy days, Cast thy cares upon him who guides all thy ways; Take up thy cross; count it not a loss For the heat of sorrow melts away the dross. Jesus, Dear Savior, patient and mild, Let me obedient be, a trusting child."

This was the thought and prayer which came into the hearts and minds of the sorrowing husband, children, relatives and friends as they were gathered about the death bed of Mrs. Albert Cappel in the St. Joseph hospital, Joliet in the early hours of April 9th as her soul took its flight to her Master.

It was indeed hard for the near ones as well as the friends of Mrs. Cappel to realize that the young wife and mother who only a brief while ago was the very picture of health should so suddenly fall a victim to the wasting disease that claimed her.

On April 2nd she underwent an operation which at first appeared successful, but unexpected complications developed which ended in death.

Mrs. Clara Cappel nee Yunker was born in Orland township May 12, 1892, the daughter of Mr. and Mrs. Christ Yunker.

On April 8, 1906 she was confirmed in the St. John Evangelical church at Mokena by the late Rev. C. Schaub.

On January 28, 1914 she was united in marriage with Albert C. Cappel of Mokena. To this union three sons were born.

The young wife, mother and daughter left to mourn her early passing on her deeply bereaved husband and three sons, Wesley, Harold and Marvin, her parents Mr. and Mrs. C. Yunker, six brothers, four sisters and a host of other relatives and friends.

Mrs. Cappel was an earnest Christian and a faithful member of Mokena and a most valued member of the Ladies Aid Society of this church. She will be missed in many ways, but while missing her, her loved ones shall be reminded that her life was rich toward God and her fellow beings.

The funeral services were held last Saturday afternoon from the late home to the St. John Evangelical church at Mokena. This beautiful edifice was too small to seat all the great throng of mourners who came to pay final tribute to her memory. The floral offerings were profuse and beautiful. Rev. Wm. Kreis officiated. Burial took place in the St. John cemetery.

Christ Yunker Dies Within A Week of Daughter's Death

Christ Yunker who has been a resident of Mokena for the past 18 years, died at his home Wednesday afternoon at 5 o'clock after being ill only 48 hours with flu pneumonia. The suddenness of his passing came as a great shock to the community. It was only a week ago that his daughter Mrs. Clara Cappel died at the St. Joseph hospital in Joliet of the same disease. She died last Thursday morning at 2 o'clock while he passed away about 5 hours sooner than a week from his daughter's hour of death. Mr. Yunker had attended the funeral of his daughter last Saturday afternoon and by a strange kink of fate his funeral will be held just a week to the day and hour from the day of his daughter's funeral namely Saturday afternoon at 1:30 p. m.

On Monday of this week Mr. Yunker attended the funeral of John Marti and Monday midnight he was stricken with flu and pneumonia and within forty-eight hours he was summoned to the Great Beyond.

Mr. Yunker was always cheerful and made a legion of friends.

He lived in the town of Orland a great many years and served that town as highway commissioner for a number of years. About eighteen years ago he bought a home in Mokena and retired from farming and has resided here ever since.

He was a good citizen and neighbor and his sudden passing is deplored by the community of which he was a part for many years.

Mr. Yunker was born in Switzerland on Aug. 31, 1850. When 7 years old he immigrated with his parents to America. They settled in the town of Orland. In 1868 he was confirmed in the St. John Evangelical church at Mokena by the Rev. Mr. Meyer.

On June 28, 1872 he was united in marriage with Miss Minnie Parichert of Orland. To this union 11 children were born of whom one daughter Mrs. Clara Cappel died only a week ago making the first death in the family.

Mr. Yunker is survived by his deeply bereaved widow, six sons, William, Christ, John and Fred of Orland, George of Tinley Park and Henry of North Dakota, four sisters, Mrs. V. H. Scheer of Tinley Park, Mrs. Wm. Kuech, Mrs. C. Erickson of Mokena and Mrs. Emil Hinspeter of Frankfort, fifty-two grand children, six great grand children, two brothers, George of Bancroft, Neb., Fred of Mokena, 3 step brothers, Edward, Nick and Henry, four sisters, Mrs. Magdalena Wols, Oak Park, Mrs. Baumgart of Tinley Park, Mrs. Louisa Clinton, and Mrs. Elizabeth Hubenthal both of Chicago.

Last summer he celebrated his golden wedding anniversary. What tragedy and sorrow can come into a life within a few brief months!

Funeral services will be held on Saturday afternoon to the St. John church at 1:30 o'clock. Burial in St. John cemetery, Rev. Wm. Kreis, officiating.

Poorman Poultry Farm Near Fire

Some careless motorist built a camp fire in the woods north of the John Poorman poultry farm northeast of Tinley Park Sunday morning and failed to put it out before leaving. The fire burned until late in the afternoon when a strong northeast wind fanned it into a raging prairie fire which swept the woods directly toward the Poorman poultry farm. Help was summoned by phone and in a short time fully 100 auto loads of fire fighters were on hand. The Blue Island Fire Department's chemical truck was also called out. After a hard fight the stubborn blaze was checked just as it was within 40 feet of Mr. Poorman's chicken houses. The fire however spread to the A. O. Foskett poultry farm adjoining Poorman farm and number of chicken houses burned. This shows that carelessness with fire is a costly affair.

John Marti, Aged 75 Years Called To The Great Beyond

John Marti, aged 75 years, who has been a resident of Mokena and vicinity for over half a century, died at his home in Mokena last Friday morning.

Until of late years, Mr. Marti was a man of robust appearance who could pride himself on his strength despite the fact that he was over seventy years old. One of his bitter disappointments came when he began to realize that his physical frame was gradually yielding to the ravages of disease.

Mr. Marti was born May 8, 1849 in Rapperehryl, Switzerland and at age of five years the came to this country with his parents.

He was confirmed and received into the St. John Evangelical church at Mokena April 15, 1866. He was intimately associated with the affairs of St. John since the days of her early history up to the present time and was a loyal member. He sacrificed time and means for the church he loved. He was a member of the church council for a number of years.

On March 11, 1873 he was united in marriage to Louisa Sass. To this union ten children were born of whom eight survive.

The past few years Mr. Marti began to fail in health and of late his condition became so aggravated that despite all loving care and medical attention, the hand of death could not be stayed.

His day is spent. We are thankful for what he was and what he did and cherish the hope that God in His infinite grace caused to dawn for him another day, which ushered in a new life, a life where sorrow and suffering and death have no part.

Mr. Marti leaves to mourn his loss his widow, four sons, Edward, of Mokena, Frank and Harry of Frankfort and Arthur of New Lenox, four daughters, Mrs. Emil Cappel, Mrs. Elmer Woodcock, Mrs. Arthur Geuther of Mokena, Mrs. Raymond Warning of Frankfort, on brother, Benjamin Marti of Los Angeles, Cal., two sisters, Mrs. John Liess of Mokena and Mrs. Chas. Schick of Joliet, 12 grandchildren and a large circle of other relatives and friends.

The funeral services were held on Monday afternoon from the late home to the St. John Evangelical church, Rev. Wm. Kreis officiating. Interment in the St. John cemetery.

The floral tributes were many and beautiful.

Purpose of Tinley Community Club

Editor News-Bulletin:

There is at present quite a sentiment in this community toward a community club or organization of some kind. This sentiment can be greatly increased to a stage where a club will be in demand and assured of a successful start as soon as the proper information is brought before the residents of this community.

To this end there has been a temporary organization formed for the sole purpose of bringing before the community the necessary information and plans for a community club so that it may be intelligently considered by all. When the time is ripe, all will be invited to join in a permanent organization and when this is done, the resulting organization will necessarily represent the views and ideas of all and not just a few.

That is the reason why the present organization feels it best to organize temporarily and not permanently. The temporary organization is composed of the following who have subscribed to the preamble proceeding their names and they have pledged themselves to a total sum of \$220 for financing the start of a club:

A. O. Foskett, H. W. Wyman, E. J. Mohr, H. A. Mager, Selby H. Hirsch, Francis A. Harper, Paul H. Rauhoff, Herman Jacobs, Dr. C. Scheer, H. C. Vogt, Jr., H. Y. Klepper, J. C. Funk, Louis Goessel.

This group is more in the nature of a committee than an organization. (continued on back page)
